## 4. Gameplay Mechanics

### Slots

Command: !bet [amount] [lines]

Bet Range: 10–1,000 coins per line.

Lines: 1–3 lines per spin.

How to Play: Spin the slots to match symbols. Three matching symbols win!

Payouts:

- Three matching symbols (except "7 7 7"): 100 coins.
- Three "7 7 7" symbols: 500 coins plus the progressive jackpot bonus.

Symbols: 🍷 🍷 🍷 🍷 🍷 7 7

### Wheel of Fortune

Command: !wheel [amount]

Bet Range: 10–1,000 coins.

How to Play: Spin the wheel for a random multiplier (0x to 10x). Results vary by chance.

Outcomes: Win, lose, or get your bet returned based on the multiplier.

### Rock, Paper, Scissors

Command: !rps [amount]

Bet Range: 10–1,000 coins.

How to Play: React with rock, paper, or scissors within 30 seconds.

Rules: Rock beats Scissors, Paper beats Rock, Scissors beats Paper.

Reward: Win doubles your bet!

## Blackjack

Command: !blackjack [amount]

Bet Range: 10–1,000 coins.

How to Play: Get closer to 21 than the dealer without busting.

Gameplay: Use !hit to draw a card or !stand to end your turn within 30 seconds.

Goal: Beat the dealer's hand (dealer must draw until 17 or higher).

## Trivia

Command: !trivia

Reward: 50 coins for a correct answer.

How to Play: Answer a multiple-choice trivia question by reacting within 30 seconds.

## Hangman

Commands: !hangman to start and !guess [letter] to guess.

Reward: 25 coins for winning.

How to Play: Guess the word letter by letter (A-Z). 6 wrong guesses result in a loss.

## Number Guessing

Commands: !guessnumber to start and !guessnum [number] to guess.

Reward: 50 coins for a correct guess.

How to Play: Guess a number between 1 and 100. You get 20 attempts with hints (too high/low).

## Tic-Tac-Toe
